Good Afternoon Dave,

Attached is a spreadsheet with current balance on hand (in tablets) of both medications. There are two tabs, one for each medication, and Column E is the location of the BoH. This data is current as of now and subject to change.

L _____,

Thank you for your time during this national emergency. The Nevada Board of Pharmacy is aware of the issues your pharmacies are experiencing related to chloroquine and hydroxychloroquine. Is it possible for you to determine the inventory of these drugs available to Nevada residents?

Sincerely,

Dave
